BIZZ

PARTY

1st floor

-The Lyrics

Bizzparty (©2016 Sam Francisco King-Of-Rock)

Transfer me into the 22nd century
just to be where all the bounds are gone away
Let me see to tell the students in academy
stories about 22nd century
There's no sadness
sadness was a bug
There's no badness
but a right of luck
stroke your pony
play with your cony
in the better 22nd century

Follow me into the 22nd century
look and see that all the bounds are gone away
turn the key to boost the time machine's velocity
visiting 22nd century
There's no money
money causes pain
Milk and honey falls instead of rain
love is a duty
Any-one's a cutie
here in the better 22nd century

Come to me into the 22nd century
wait and see
until your bounds are gone away
suddenly it will be written in your memory
lifetime in 22nd century
Future's calling
Answer was a mail
self-installing life as fairytale
move your body
get up to study
all about 22nd century

This is the craziest party now
followers will like you on this party
Anybody's life's part of the bizzparty
in unknown space
Come on, come on come on,
put your likes together,
Let's make the craziest rubbish seen ever
Anyone rises, it's okay,
forever enter last strike in space

Buying The Bad Bank - Arrangements Of The Boom (© 2010 Sam Francisco KING-Of-ROCK)

No money to pay
no money to play
but money to stay all fucking day
No money to lose it
no money to use it
But money to choose
the return on investment
by changing the bill to invoice of a hit

Amazing grace
I'm buying a bad bank
without a trace, investigated by a bad gang
The price is cool, to cool I can't stand it
The future is now - but the question is how we're gonna brand it

As a private, small man
who says „Yes I can!“ - I'm a flexible fan in a government's plan
I won't let you down, no, my money's around, so,
without competition, I just found my mission
when closed accounts grow

Amazing grace
I'm buying a bad bank
without a trace, investigated by a bad gang
The price is cool, to cool I can't stand it
The future is now - but the question is how we're gonna brand it

If your company's ill - or you company's dead
don't cry for a skill it never had
Your stocks are my pension - in another dimension
If stocks are the treasure the keys are the measure
And that's my invention

Amazing grace
I'm buying a bad bank
without a trace, investigated by a bad gang
The price is cool, to cool I can't stand it
The future is now - but the question is how we're gonna brand it

**WE´VE GOT THE BOOM
´cause money´s alive !**

Kiss Factory (©2012 Sam Francisco KING-Of-Rock)

Kissing is fun, kissing is good,
Kissing is sexy – let's do it if we should,
I've got a new car and one Million Dollar
- together with my lady I'm a star, aha.

Love is my friend telling me what to do,
Kisses assist me to put love to you
The worst kissing case is a wrong kissing place
Don't listen to the people on your party!

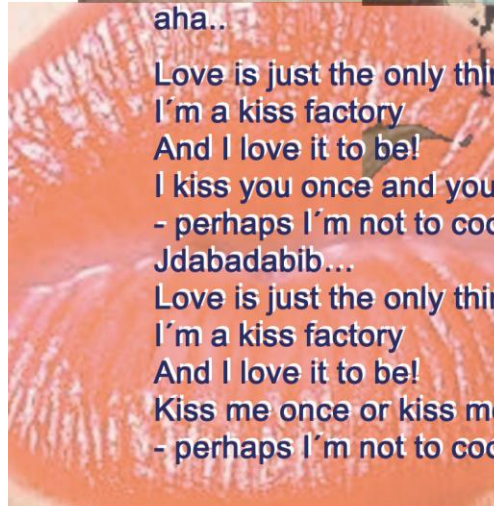

Love is just the only thing that matters to me,
I'm a kiss factory
And I love it to be!
I kiss you once and you kiss me twice
- perhaps I'm not too cool to melt your ice

All that I do is all that I want,
If you regret it – I tell you, I don't!
A kiss is a kiss, you know, it's my biz,
and it's a longer way to Tipperary

I'm a business-man and my business-plan
is to kiss you, my lady, as much as we can
our final contract convinces me to act
-so many paragraphs have to be checked,
aha..

Love is just the only thing that matters to me,
I'm a kiss factory
And I love it to be!
I kiss you once and you kiss me twice
- perhaps I'm not too cool to melt your ice,
Jdabadabib...

Love is just the only thing that matters to me,
I'm a kiss factory
And I love it to be!
Kiss me once or kiss me twice
- perhaps I'm not too cool to melt your ice

God Bless The Champ (©2008 Sam Francisco KING-OF-ROCK)

The game is over now
At the end of the show
the winner takes the benefit, the loser's to go
The last award attracts a kind of heard attack
the greatest one is gonna be the universal crack

God bless the champ - invincible
Ever lasting principal
The better one is the best - never impressed
by good advice to be sensible

It will be the gratest party in the history
And the move goes on eternally
It's gonna be the best thing in our memory
And the type of the hype may give the guarantee

God bless the champ - invincible
Ever lasting principal
The better one is the best - never impressed
by good advice to be sensible

The match is over now - was a hard way to go
but, anyway, it was a quite professional show
And if the budgets fit
we'll make a film about it
for future generations come in singing the hit

God bless the champ - invincible
Ever lasting principal
The better one is the best - never impressed
by good advice to be sensible

No Commercial (©2016 Sam Francisco KING-Of-ROCK)

I never drink Rum and I never drink Gin
but any pool bar where I have been
there was a Coke sign outside – and inside the pool
I'm falling out of my rule:
I'm diving and surfing, doing a one-man- laola
on the top of the action having a Coca Cola
and the pool water's clear and the Coke is black
the real things always come back!

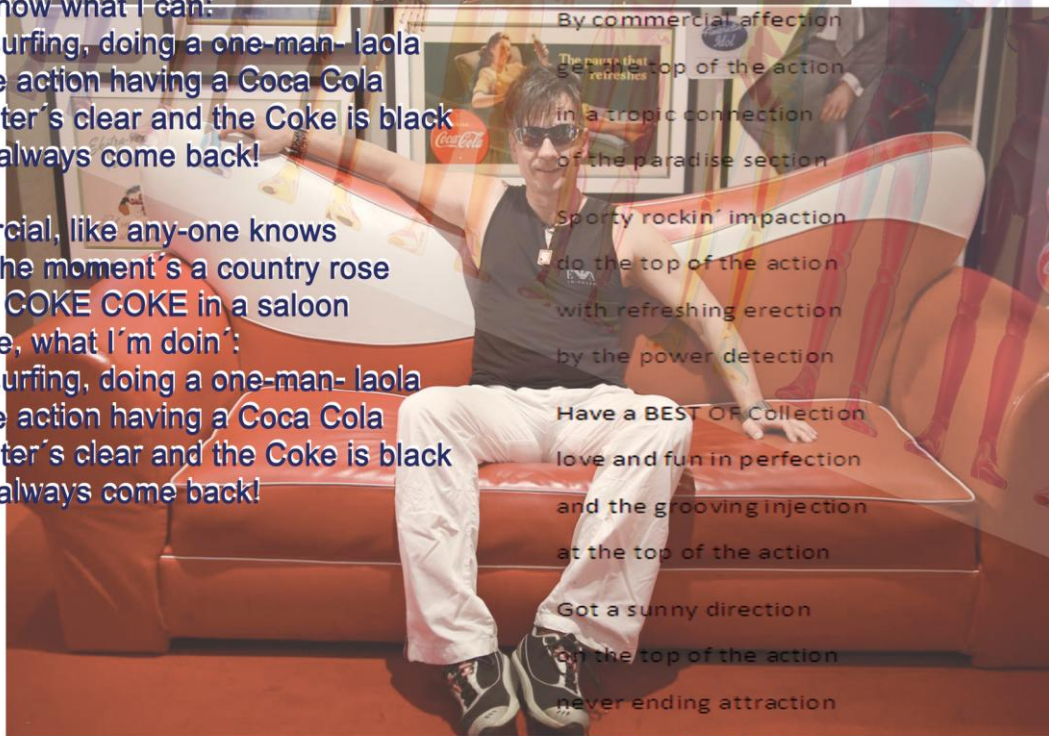

Tropical cocktails and sun chairs of gold
are not as cool and smart as a cold
cold coke on the back of my delivery van
that's where I show what I can:

I'm diving and surfing, doing a one-man- laola
on the top of the action having a Coca Cola
and the pool water's clear and the Coke is black
the real things always come back!

Life's a commercial, like any-one knows
but the spur of the moment's a country rose
drinking COKE COKE COKE in a saloon
just watching me, what I'm doin':
I'm diving and surfing, doing a one-man- laola
on the top of the action having a Coca Cola
and the pool water's clear and the Coke is black
the real things always come back!

By commercial affection
get on the top of the action
in a tropic connection
of the paradise section
Sporty rockin' impaction
do the top of the action
with refreshing erection
by the power detection
Have a BEST OF Collection
love and fun in perfection
and the grooving injection
at the top of the action
Got a sunny direction
on the top of the action
never ending attraction
and a cool satisfaction

I Think It's Going To Rain Today (© 1968 Randy Newman)
PARTY VERSION 2016

Broken windows and empty hallways
A pale dead moon in the sky streaked with gray
Human kindness is overflowing
And I think it's going to rain today

Scarecrows dressed in the latest styles
With frozen smiles to chase love away
Human kindness is overflowing
And I think it's going to rain today

Lonely, lonely
Tin can at my feet
Think I'll kick it down the street
That's the way to treat a friend

Bright before me the signs implore me
Help the needy and show them the way
Human kindness is overflowing
And I think it's going to rain today
